Developers can make money by selling things like items, cosmetics, or avatars (often in their own in-game stores similar to those in mobile apps) in exchange for Roblox’s in-app currency, Robux. And it seems like some of the most successful games can pay out nicely, once they’ve reached critical mass. Roblox says over 1,250 developers earned at least \$10,000 worth of Robux in 2020, and over 300 of them earned \$100,000 or more.

RobloxRoblox is one of the biggest apps in the world, and you’ve probably been hearing its name: the company recently went public, and its stock price climbed so high it was temporarily worth more than gaming giants EA and Take-Two combined. Roblox has come up as a contentious topic in the Epic Games v. Apple trial as well.

Equally, if you get caught using an account generated through these programs, there are big consequences. The official Roblox site strongly advises against using schemes like account generators. They say that anyone asking you to input your details anywhere is scamming you, and that you won’t receive a glitched account or free Robux. The terms of service also warn against it, too. They say that you cannot obtain “exploited game or experience content.” This includes hacked accounts with Robux. If you’re caught doing this, they reserve the right to immediately close your account.

Tix, also known as Tickets was a currency that was present almost since its launch. Tix didn’t cost money, and players could earn by it logging in daily, visiting their Place, and a number of other ways. Tix could also be converted into Robux which is something players used to do a lot. Considering that it was just a free way to earn Robux, people started creating alternate accounts to get more Robux, and it almost entirely killed the point of Robux.

The games can vary massively in terms of quality and content and there appears to be very little quality control from Roblox themselves. This doesn’t mean that all of the games are bad, there are thousands of amazing games to play on the platform but it can sometimes take a bit of digging to separate the good from the bad.
